

# Magnolia

STATE BANK

USING YOUR CREDIT  
OR DEBIT CARD WITH  
**GOOGLE PAY™**

# WHAT YOU NEED TO GET STARTED

---

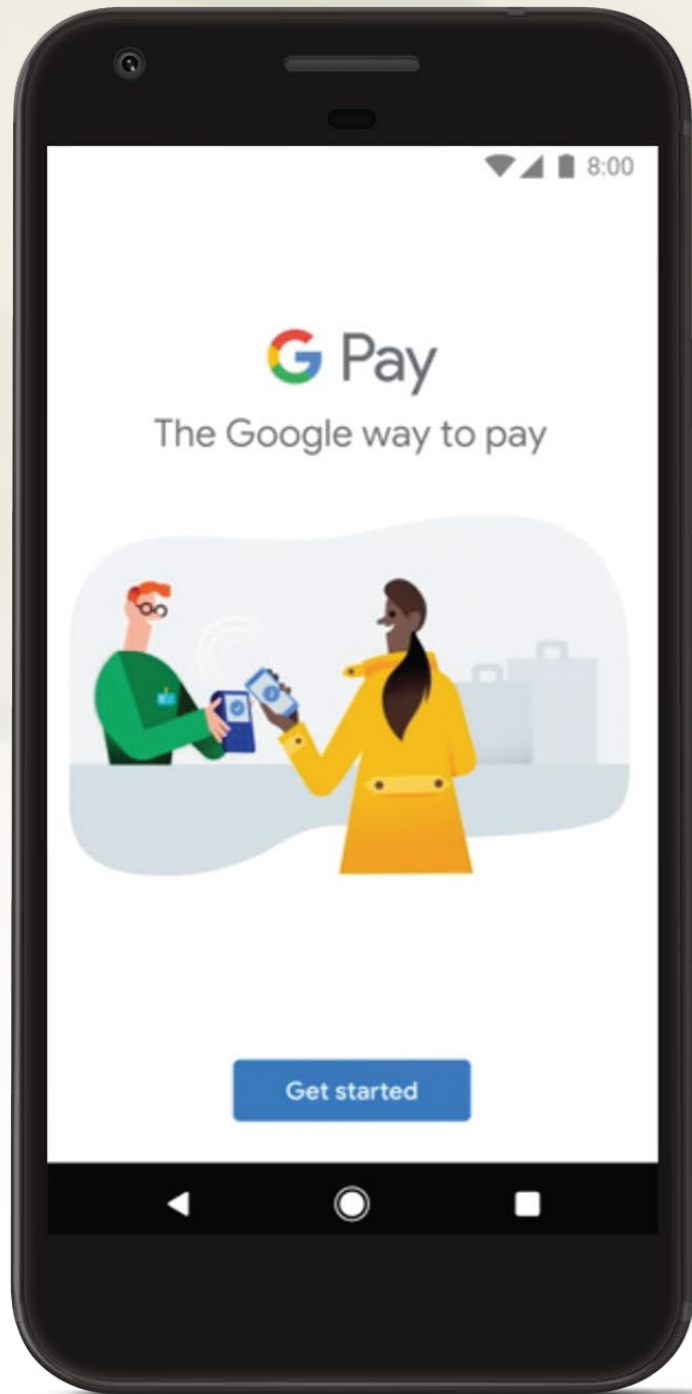

*Your Android  
Smartphone*

*Google Pay  
App*

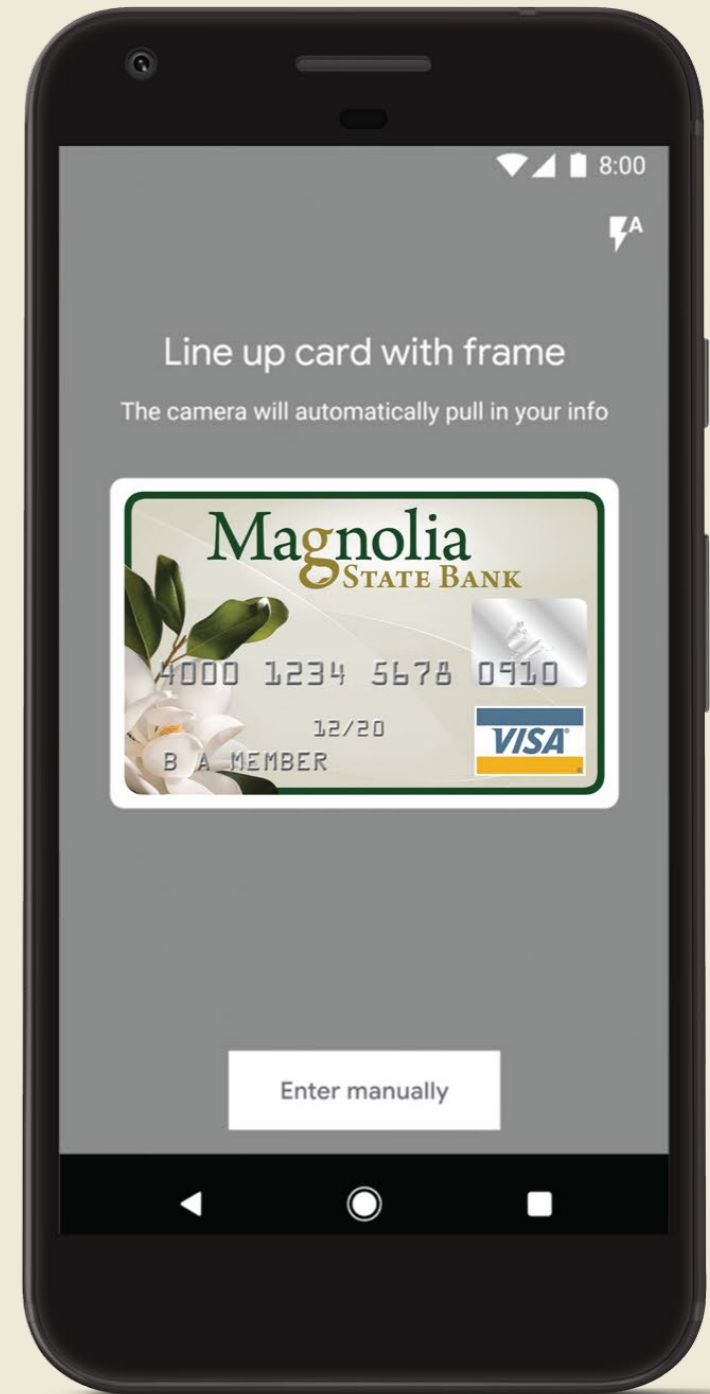

*Your Magnolia  
State Bank card*

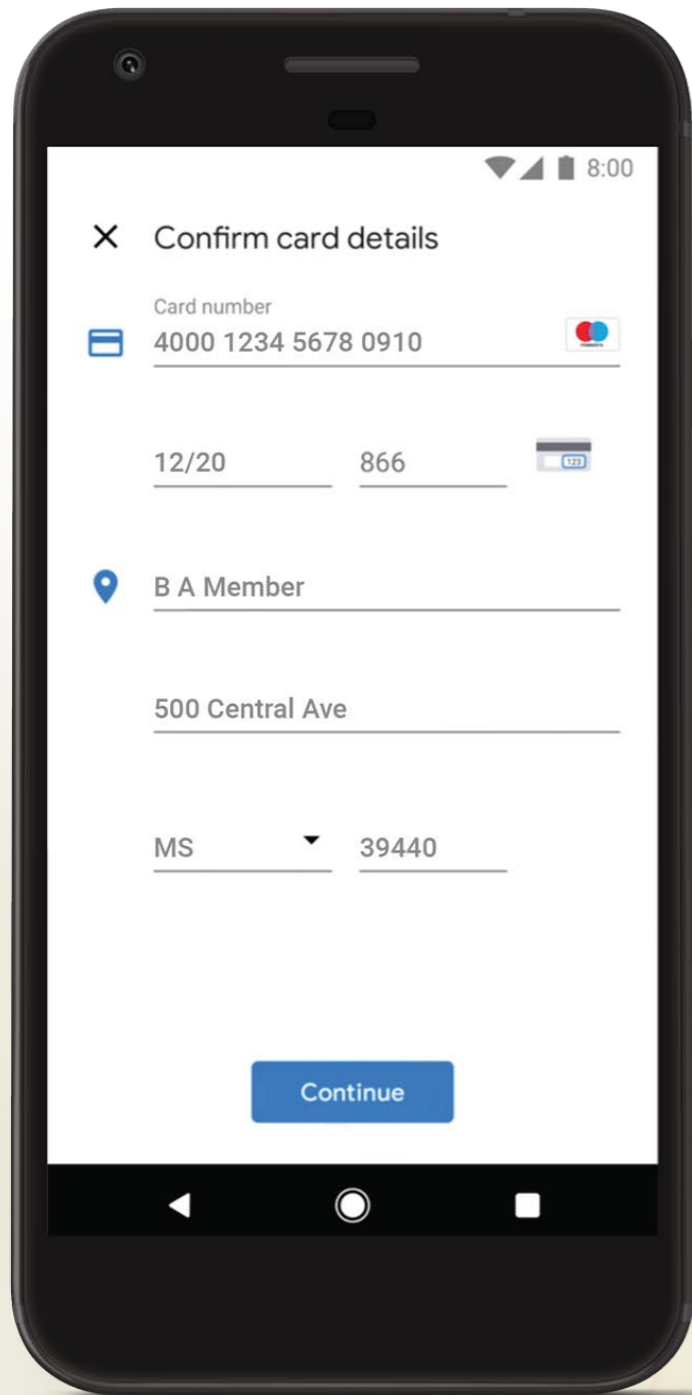

- Open the  Google Pay app.
- Tap “Get Started” at the bottom of the screen.
- Tap “Credit or debit card” when asked to add a payment method, then tap “Continue.”

- Position your card in the on-screen frame.
- Your phone will scan and capture the details on the face of your card.
- You may also enter your card information manually.

- Review card data and correct any incomplete or incorrect information.
- Follow instructions to enter any additional card details, like your CVN.
- Tap “Continue.”
- Review the Google Pay Terms of Service and tap “Continue.”

- **Select a verification method to receive a verification code.**
- **Enter the verification code provided, and tap “Continue.”**
- **After verification, your card is ready to use with Google Pay!**

*Note: Customer may not be prompted for any additional authentication.*
