# Magnolia STATE BANK

USING YOUR CREDIT OR DEBIT CARD WITH
## SAMSUNG PAY®

WHAT YOU NEED TO GET STARTED

*Your Samsung Smartphone*

Your Samsung Account

Your Magnolia State Bank card

- Open the Samsung Pay app, and log in to your Samsung Account.

- Register your fingerprint. Create a backup password to use for payment, and tap "Next."

- Type in a 4-digit PIN used for payment.

- Tap "Add Card" at the bottom of the screen.

- Position your card in the on-screen frame.

- Your phone will scan and capture the details on the face of your card.

- You may also enter your card information manually.
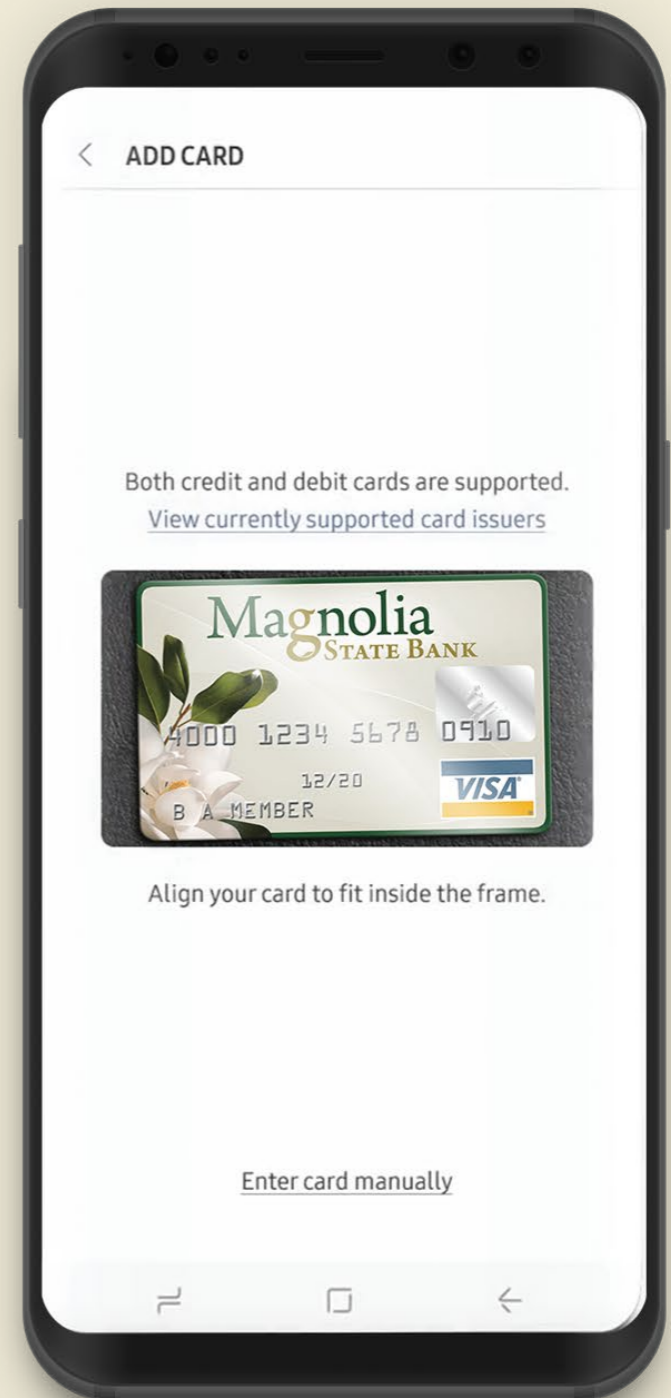

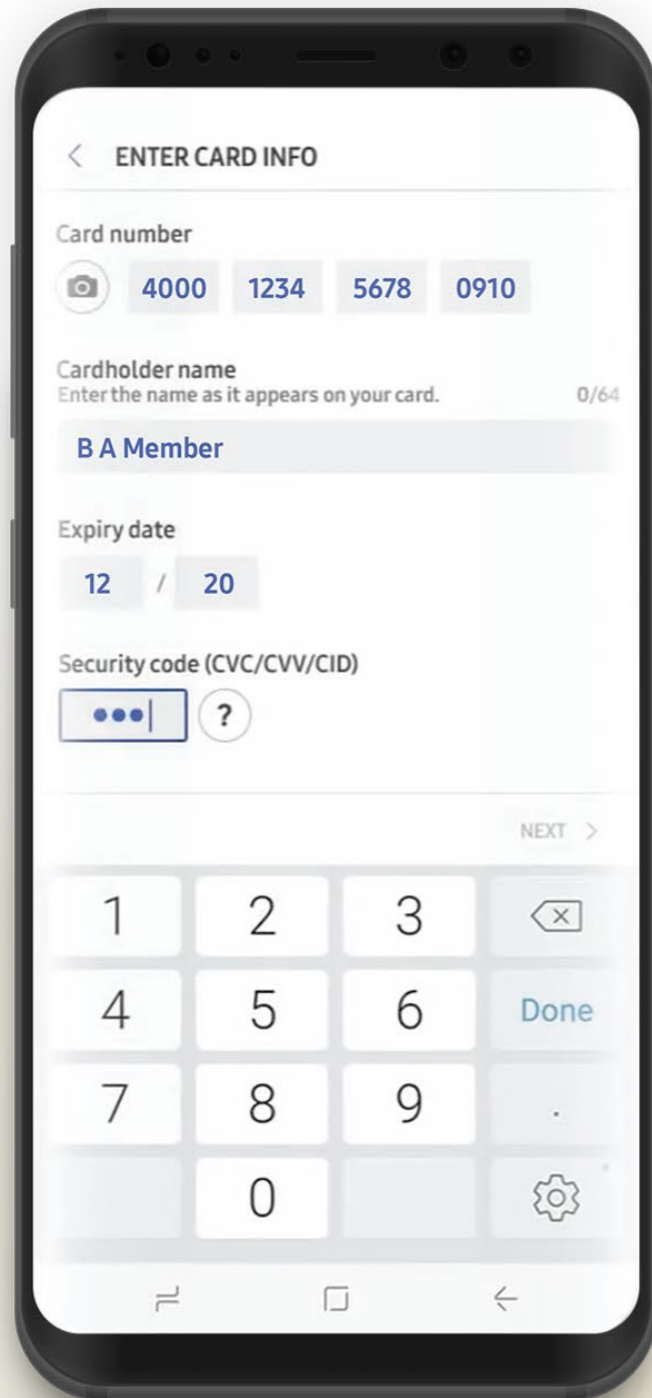

- **Confirm the cardholder's name, expiration date, security code, and ZIP code on the next screen.**

- **Tap "Next."**

- **Review the Samsung Pay Terms and Conditions and tap "Agree to All."**

- You will then be asked to verify that you added the card.

- Select a verification method and confirm card verification.

- Add your signature if prompted and tap "Save" to continue.

- Your card is ready to use with Samsung Pay!

Note: Customer may not be prompted for any additional authentication.
